

RESORT GUIDE

UNRIVALED HISTORY

Travel to the Sandhills of North Carolina where the evergreens canopy the roads and fresh pine scent fills the air. Where hours are measured in holes. And days in number of rounds. Where eight world-class golf courses and one hundred years of championships ensure that you'll leave more inspired than when you came. Where golf makes its home in America. Welcome to Pinehurst.

LEGENDARY GOLF

No. 2, Hole 13

Golf is as much a part of Pinehurst as the pines themselves. More than a century ago Ross laid the foundation for this resort to become as loved as the game itself. There's a reverence for the game found here that lives in the traditions, championships and legends that have made this place one of the most storied golf resorts in the world and a must-play for all golfers.
