

# CLEMMONS ATIONAL STATE FOREST

## Clemmons Forest

offers a mix of pine and hardwood vegetation and a pleasant rolling terrain highlighted by streams and rock outcroppings. These features are made accessible by a series of well marked trails, accented by exhibits and displays about the ecology of a managed forest. A fascinating feature, especially to children is a selection of talking trees and rocks. Picnic shelter, individual picnic sites, hiking, bird-watching available. Educational programs available for groups of 10 or more. No fees for any programs at the forest.
