winter

december - early february

The mild Carolina winters make this a perfect time of year to enjoy a great round of golf. The courses are seeded with winter rye to preserve their green hue and tee times are always available. Value-minded travelers are pleased to discover exceptional winter package deals. Schedule your tee times for mid-morning to avoid occasional frost. \$ 📅

early spring

february - mid march

There's no better way to welcome in the spring than with a trip to the Pinehurst, Southern Pines, Aberdeen Area. Rates are still low, but it's a good idea to reserve a tee time about a month in advance to ensure a spot for you and your group. \$\$ 📅 📅

spring

mid march - may

The blooming dogwoods paint the region in beautiful shades of white and pink. And the warm sunshine highlights the stunning azaleas and lush, green grass. In spring, the Sandhills is at its very best. Plan well in advance to ensure a truly unforgettable golf package. \$\$\$ 📅 📅 📅

summer

june - september

What's a lazy summer getaway without a round of golf? Summertime in the Sandhills offers visitors an opportunity to experience world-class golf for a reasonable price. Tee times are readily available, but call in advance to secure an early start and beat the mid-day heat. \$\$ 📅 📅

autumn

september - november

Autumn is the perfect season for a journey to the Home of American Golf®. The weather couldn't be more perfect and the courses are in pristine condition. Best of all, the popular "Autumn Golf Gimmes" promotions offer a world-class golf experience at a great rate. \$\$\$ 📅 📅 1/2
