SERVICE YOU CAN DEPEND ON

OUR PHILOSOPHY

At Office Systems of Vermont we believe in keeping things simple. We won't try to sell you something that you don't need and we believe that keeping our customers satisfied is the only way to do business.

OUR SERVICES

Whether you're in the market for new or refurbished office equipment, need your existing equipment serviced, or are just looking for a good deal on some toner, we can help. We offer an extensive line of copiers, fax machines, shredders, laser printers and supplies and pride ourselves in providing our customers with the latest in high-quality document imaging solutions at an affordable price.

OUR EXPERIENCE

We have over 100 years combined experience in the industry with Factory Trained and Network Certified technicians on staff. Our service team will go the extra mile to ensure that your equipment is working for you when you need it. So, relax...let us take some of the worry out of running your office for you!

FREE TONER RECYCLING PROGRAM

We are proud of our partnership with Close the Loop, a zero-waste-to-landfill recycling program, that allows for 100% recycling of collected consumable supplies such as cartridges, drum units and toner bottles. Best of all, it manufactures eLumber™ using all the waste that was once considered unusable. To help our customers participate in this same program, we provide everything you need including recyclable collection boxes, supplies, freight, transportation and recycling services.
