We are delighted to welcome you to our wonderful corner of Vermont at The Four Columns Inn. As a guest, our picturesque 138 acre property is yours to explore and our team will take care of all your needs. The Four Columns experience features a stunning historic setting, a welcoming staff, thoughtful hospitality details, and relaxed fine food at Artisan Restaurant, Tavern & Garden.

Since the 1960s, the Four Columns has been one of Vermont's preeminent hospitality destinations. Conceived by Chef Rene Chardin and his wife Pierette as a relaxing haven of natural beauty and culinary excellence, the Four Columns has always been a uniquely Vermont experience.

When it was founded in 1965, the Four Columns' focus on locally sourced ingredients and fresh fare made it the originator of the farm to table movement. For over thirty years, at the direction of Chef Greg Parks, the Four Columns' reputation for excellence remained strong, and today we honor that original commitment to local food and genuine Vermont hospitality.

Our Artisan Restaurant, Tavern & Garden features the freshest local fare sourced directly from farms in Southern Vermont. Our award winning Executive Chef Frederic Kieffer and Chef de Cuisine are constantly adapting and changing the menu to reflect seasonal ingredients and the harvest of our agricultural neighbors.

ARTISAN RESTAURANT, TAVERN & GARDEN celebrates the abundance of agriculture and food craftspeople that we are so lucky to have in our neighborhood. Top chefs the world over source from the very farms and artisans that hand deliver to our kitchen door. From this base of simple and authentic ingredients, Chef Frederic Kieffer and team creates healthy and wholesome dishes that appeal to all palates. Menus change seasonally and garden seating is available during warmer months.

THE TAVERN is a favorite spot to enjoy some simpler fare. Cozy and very casual, friends gather here to enjoy the intimate setting, together with a large flat panel TV for sports, occasional live music and our carefully selected libations. During summer months relax on our patio overlooking our pond and flowering gardens planted with herbs and vegetables. The bar features an impressive variety of local beer and hard cider, wines and cocktails. Our Tavern Small Plates are a selection of popular dishes from the Artisan kitchen.

Food should be fun.
