

"By far the best getaway that we have ever experienced!"
– J. & P., Summit, New Jersey

The journey to create Robert Frost Mountain Cabins began as a "what if". Over time, Carol and Marty refined the vision and set out on a journey to find the perfect spot, clear the land, mill the timbers, build the cabins and turn the dream into reality.

Today, after dedicating their labor and love, they find great satisfaction in sharing their beautiful setting and seven handcrafted cabins with you. They hope that you, too, will be touched and enriched by taking the road less traveled.
