

With your support, CCE's programs provide inception stage business training to expand the capacity of creatives and artists to emerge as viable entrepreneurs.

Our customized education and mentorship programs fulfill our mission to **Launch, Grow, and Accelerate creative entrepreneurs and businesses.**

A four week Boot Camp for early stage creatives with a goal to Define Your Customer and Ignite Your Idea. Learn how to focus on customers, validate an idea, and develop a business model to move from idea to reality.

Kinetic's curriculum and seasoned mentors provide guidance that develops practical entrepreneurial skills and a lifelong business network.

Where creatives gather for inspiration and networking. A monthly event and online Directory to generate ideas and build community.

Building together builds Momentum.

A nine week business accelerator for serious creative entrepreneurs. The intense program fleshes out business models and focuses on value proposition, product market definition, messaging, and traction.

Our cohorts emerge competitive and ready to turn their creative passion into a growing business. Our impact to date...

- 50 companies launched
- 90% still thriving
- \$8.1M revenues earned
- \$7.4M investment raised
- 177 jobs created\*
