

The
Children's Museum
of Winston-Salem
presents:

January 30, 2010 - May 2010

What's Your Story... Get The Message is an exhibit that will help children learn about different ways to communicate. Stories can be told via sign language, Morse code, creating a "newspaper" and being a T.V. news anchor.

Step into a story at the Children's Museum of Winston-Salem, where families play and learn by experiencing literature, storytelling, and the arts!

Membership is an affordable way for your family to enjoy unlimited visits AND support a community resource!
