## Become a member of SECCA and explore the best in contemporary art!

The art of our time plays a crucial role in contemporary life, providing the means to share ideas, experiences, and diverse cultures with all. SECCA is an active forum for this fundamental exchange, celebrating artists and creative explorations that best reflect the challenges and opportunities of today. Uniting local, national, and international audiences, we believe art is at its most vibrant when activated by community.

A SECCA membership offers “behind the scenes” experiences, special opportunities, and inspires a lifelong learning experience with the arts.
