HELP CHRISTIAN TO CONTINUE HIS JOURNEY

Join us for a fundraiser to help our friend Christian Cacciaguerra. Christian has Duchenne Muscular Dystrophy a disorder that is slowly robbing him of the use of his legs and arms, while also decreasing his heart and lung function. Christian has been in a wheelchair since the age of 10. He has always remained positive. Now at 22, his care has put overwhelming financial stress on Christian and his mother Kathleen. **They need our Help!**
